2022-2023 CLASS SCHEDULE

CLASS NAME AND DETAILS	DATES
<p>Spirit of Truth vs. The Spirit of Error, Part 2 Part 2 of this series examines from biblical texts how false prophets have endeavored to hinder the will of God, both on a national and a personal level. The spirit of error is still active today in the spirit of the Antichrist and must be recognized and resisted by the Word of God.</p>	September 12, 19, 26, October 3
<p>The Coming Global Deception Global events are not coincidental. The global elites have been planning and manipulating events that affect entire nations and global stability for many years. We will examine the organizations that are controlling these events and how they are the agents of the spirit of the Antichrist whose goal is a one-world government reminiscent of the Tower of Babel.</p>	October 10, 17, 24, 31
<p>Being Led by the Holy Spirit It is more important now than ever before to listen to the voice of the Spirit of God and learn how to be led and guided by His promptings. This class takes on an urgency considering the events that are unfolding around the world. Without understanding how to be led by the Holy Spirit, believers are at a great disadvantage in this last hour. We will learn from the Bible how God will lead and guide his children by His Holy Spirit.</p>	November 7, 14, 21, 28
<p>Biblical Covenants and Last Days The untold truth concerning the covenants that were initiated by God in the Bible is that all the covenants pointed to the fulfillment of God's plan of redemption. Their ultimate fulfillment will be in the last days. We will study these covenants and how they point to the will of God, promising the gathering of Israel, the cleansing and spiritual transformation, and the Reign of the Messiah.</p>	February 6, 13, 20, 27
<p>The Value of Imprecatory Prayers Imprecatory prayers are those prayers found in the Psalms and elsewhere invoking God to bring judgment upon God's enemies. We will learn what these prayers are and how to apply them in our everyday lives of prayer, so that the will of God would be wrought upon the earth. When properly understood, these prayers do not violate the law of love in the New Covenant (Matt. 5:44).</p>	March 6, 13, 20, 27
<p>The Feasts of Israel and Present Jewish Holidays All the feasts of the Bible spoke of the Messiah, the Savior of the world. They all speak of the great Redemptive program of God that was fulfilled in the life, death, and resurrection of the Savior of the world, Jesus Christ. We will examine the seven major Jewish Feasts recorded in Lev. 23 to learn how they teach us spiritual truths concerning the work of Jesus in His death, burial, and resurrection.</p>	April 3, 17, 24, May 1
