# 2023-2024 Bible School Classes

CLASS NAME AND DETAILS	DATES
<p><b>Paul's Revelation of Israel's Future: Part 1</b></p> <p>The focus of this class will be a study of Paul's teaching concerning the salvation and future of the nation of Israel that is found in Romans, chapters 9-11. Historically, and even in our day, there has been much confusion in the Church regarding the future of Israel in the plans of God. Many are teaching what is called "replacement theology" which teaches that God is completely through with the nation of Israel, and that the Church has replaced Israel in the purposes of God upon the earth. We will learn that is not the case as we dig deeply into Paul's revelation of Israel's future.</p>	Sept. 11 - Oct. 2
<p><b>Paul's Revelation of Israel's Future: Part 2</b></p> <p>This will be a continuation of Paul's teaching concerning the salvation and future of the nation of Israel. We will continue to study verse by verse the writings of Paul from Romans chapters 9-11. We will continue to learn that the preservation of Israel is the "miracle of history." We will continue to learn that Romans 9 reveals Israel's past failures, and that Romans 10 reveals Israel's present opportunity, while Romans 11 teaches us about Israel's bright future.</p>	Oct. 9 - 30
<p><b>Biblical Significance of the Number Seven</b></p> <p>At the beginning of the Bible, the number seven is identified with something being "finished" or "complete." The number seven continues throughout the Bible as God's number of divine perfection. The number seven is the most important symbolic number in the Bible. We will look at a great number of instances in the Bible where the number seven reveals the purposes of God throughout His plan of redemption.</p>	Nov. 6 - 27
<p><b>The Life of Apostle Paul and His Theology: Part 1</b></p> <p>This class will look at the life of the apostle Paul and his theology. This will be a two-month course as we break down Paul's life and ministry into seven categories. Those studies will focus on the following: Paul's Jewish Culture, Paul's Gentile Culture, Paul's Office in Ministry, Paul's Mission, Paul's Writings, Paul's Reformation, Paul's Eschatology (Revelation of the last days).</p>	Feb. 5 - 26
<p><b>The Life of Apostle Paul and His Theology: Part 2</b></p> <p>We will continue to unfold the sevenfold breakdown of part 1. Our goal will be to gain a better understanding of Paul's theology and thereby endeavor to make his revelation of the will of God applicable in our lives.</p>	March 4 - 25
<p><b>Navigating as Christians in a Post-Truth World</b></p> <p>As a Christian, it has become increasingly difficult to witness the darkness that has overtaken the world in this last hour, as the restraint on evil seems to have lost its power. Our culture has shifted greatly with the powers of governments promoting evil as good and good as evil (Isaiah 5:20) and the global effort to hide the truth in any form to the populace. This class will look at what the Bible has to say about this last hour and how to live our daily lives in the light of the Word of God through all the evil that is exploding globally.</p>	April 8 - 29
