# 2024-2025 Bible School Classes

CLASS NAME AND DETAILS	DATES
<p><b>WHAT THE BIBLE TEACHES ABOUT CONFESSION OF SIN</b></p> <p>This class will look at the doctrine of confession as it relates to sin. We will examine the different biblical confessions and establish the fact that 1 John 1:9 is for believers today. Like so many other biblical subjects, this topic must be approached with sound biblical rules so that we can rightly divide the Word of God on this subject.</p>	Sept. 9 - 30
<p><b>LIFE IN THE SPIRIT: A STUDY OF ROMANS CHAPTER 8</b></p> <p>Living the life of faith is a life that is lived in the Spirit and not in the flesh. Apostle Paul expounded on this subject as all believers in Christ must learn to crucify the flesh and learn to yield to the inward man of the heart that is filled with the Spirit of God (2 Cor. 4:16). We will look at this entire chapter and thus remind ourselves as children of God that we can indeed live a life in the Spirit that will give meaning and purpose to our heavenly calling in Christ.</p>	Oct. 7 - 28
<p><b>LEARNING TO BE LED BY THE SPIRIT OF GOD</b></p> <p>Now more than ever in these last days, it is imperative to learn how to be led by the Spirit of God in these last days. The opportunity to miss the will of God is too great, as the choices we face in this hour of human history are too numerous to list. Without a working knowledge of how to be led by the Spirit of God, we can risk the chance of falling into a trap that will hurt us and lead us away from the plans and purposes of God.</p>	Nov. 4 - 25
<p><b>THE PROPHECIES OF ZECHARIAH PART 1</b></p> <p>This will be a two-month course. This class will entail the study of all 14 chapters of the book of Zechariah. This prophetic book gives light that expands into the 400 silent years before the first Advent of Christ but also into the last days and into the Second Coming of Christ. This Old Testament book will both educate us concerning God's plan for Israel but will also encourage us as New Testament believers to lay hold of our blessed hope that will come at the Rapture.</p>	Feb. 3 - 24
<p><b>THE PROPHECIES OF ZECHARIAH PART 2</b></p> <p>This will continue from where we left off in class one in our studies of the book of Zechariah. The foundation found in this book will enlighten us and encourage us as believers in Christ to lay hold of the hope that is set before us and not to be moved by the darkness that is in the world today.</p>	March 3 - 24
<p><b>LIVING BY THE LAW OF THE NEW COVENANT</b></p> <p>The law of love is the law of the New Covenant. Jesus said that because lawlessness will abound in the last days before His return that the love of many will wax cold. It is necessary to remind ourselves as believers that the only way to walk in faith and healing and to live an overcoming life of victory is to stay under the protective umbrella of God's grace by keeping ourselves in the love of God (Jude 21). This class will help us understand just how to do that in these dark times of the last days before the return of Christ.</p>	March 31, April 7, 14, 28
